

# QUADRA ESD & UV MAGNIFIER

D/E25181

ESD SAFE

WIDE VIEW RECTANGULAR LENS

INDEPENDENT & DIMMABLE POWERFUL DAYLIGHT LEDs

UV-A LEDs FOR CONFORMAL COATING INSPECTION

Quadra ESD & UV Magnifier has 4 features in 1: full ESD Compliance, extra wide rectangular lens, daylight 6,000K LEDs & UV-A LEDs. High tech carbon-fibre and special conductive coatings guarantee full ESD compliance for the lifetime of the magnifier. An extra wide, 3 diopter (1.75X) optical quality glass lens provides a superb panoramic view. High power 6,000°K daylight LEDs on both sides of the lens give shadow-free magnification, or alternatively, each side can be independently turned on or off to give 3D magnification. With integral UV-A (365nm) LEDs, detailed inspection of conformal coatings can be quickly and safely carried out as well as thorough checking of soldered joints, welds and other mechanical stress areas. The left and right sides can be independently switched to give 3D viewing if required. Heavy duty internal spring arm allows accurate and consistent positioning and an auto power off function saves energy. The 12 diopter (4.0X) ESD swing arm lens is included.

## Technical Information

### Light Output

Light Source	32 SMD UV-A LEDs
Lumens	TBC
Lux	TBC
Colour Temperature	6,000°K daylight
Power Consumption	TBC

### Product Information

Colour	Black
Reach	118cm (46.5")
Lens Size	20.3 x 12.7 cm (8" x 5")
Primary Lens Magnification	3D (1.75X)
Swing Arm Lens Magnification	12D (4.0X)
Lens Material	Optical Quality Low Iron Glass

### Accessories

Additional Lenses (2 pack) 4D & 6D	D62003
------------------------------------	--------

### Dimensions

Quadra ESD & UV Magnifier
